

Only tuition fees are payable by installments. All other fees, including registration, annual capital, plant, and bus fees, must be paid with the first tuition installment in accordance with CAC's Tuition and Fee Schedule 2017-18. Tuition fees are payable in one, two, three, or four installments. Installment payments are subject to a per-student administrative fee. Payments made after the scheduled due dates are subject to an additional late payment fee.

To select your tuition payment plan for the 2017-18 school year, please complete the following form.
