PAYMENT POLICY:

Admissions Deposit For New Students

- For students admitted before August 17, a deposit is due within fifteen (15) calendar days of receiving an offer of admission.
- For students admitted after August 17, the admission deposit is due along with tuition payment, prior to student enrollment. This deposit is in addition to the application fee.
- This deposit will reserve the applicant's seat until the first day of the semester and will be credited to tuition upon enrollment.

Admissions Deposit For Returning Students

- Should be paid no later than April 30.
- This deposit will confirm a place for the subsequent school year.
- For August applicants, in the event of cancellation, a full refund will be given if and only if a request in writing is submitted to the Accounting Office on or before May 15. After this date no refunds will be granted.
- For January applicants – In the event of cancellation, no refund will be granted.

Tuition Payment

- Charges for tuition and bus service are due first day of school. For students admitted after first day of school, tuition and fees payment should be made the day before students begin attending classes, and shall be paid on an annual basis. Tuition paid later than the designated deadline will be subject to an additional late payment fee. The Superintendent or his/her designee may approve a written request for other payment options.

Tuition Refund

- If the full year tuition for a student has been paid and that student withdraws before the second semester, the Superintendent has the discretion to refund 50% of tuition and bus fees.
- In the event of force majeure, which causes a student or students to withdraw from the school, tuition and fees already paid for the school year will not be refunded and any tuition and fees that are unpaid will be due and payable. Force majeure is defined as an event or effect, such as civil disturbances, acts of war and other civil, political or military events, labor unrest, earthquakes, nuclear disaster or extreme weather conditions that cannot be reasonably anticipated or controlled and would adversely affect the school's financial condition. This policy is necessary to protect the school's financial interests with a view to continuing operations after the force majeure event has passed.

Other Fees

- May be charged for special programs or activities. High School Week Without Walls (WWW), Middle School Prime Trips, athletic trips, online courses fees etc... are based on the cost of the specific activity. These fees are billed separately and are not included in the tuition.
