

**SUPPORT STAFF VACANCY ANNOUNCEMENT
ACADEMIC YEAR
2024-2025**

**Technology Integration Facilitator
Technology Department
(FULL-TIME POSITION)**

JOB SUMMARY:

The Technology Integration Facilitator provides for the purposeful and effective use of digital resources in all aspects of the school's curriculum. He/she brings creativity and innovation in the classroom through the use of technology and digital tools. Supports and coaches teachers/staff/students/CAC community to apply innovative solutions to a variety of academic activities. He/she works with teachers in developing technology skills. He/She facilitates and supports the use of the different innovation spaces and devices at CAC. He/she will work collaboratively in the Digital Innovation and Marketing Hub (D-Hub) as a committed team member performing special tasks as assigned.

REQUIRED QUALIFICATIONS:

All employees at CAC are expected to relate positively to and communicate effectively with students and faculty. All employees are expected to organize work efficiently and manage time effectively.

- Bachelor's degree or equivalent in Education or Educational Technology, Computer Science or a related field.
- Fluent in English (written and spoken).
- Google Education Apps and related technology.
- Expertise in utilizing Mac OS hardware and software in an educational setting.
- Fluent in Arabic.

DESIRED SKILLS:

- Experience in elementary school classroom teaching
- Knowledge of a wide range of Web 2.0 tools as well as student and teacher programs.
- Completion of computer/technical training or equivalent experience

Application deadline: May 31st, 2024

Interested candidates should submit a job application (Found on CAC website)
