With MetLife, you have access to local resources that provide 24/7 customer service and claims processing for faster, more accurate responses and expanded network options, often referred to as Regional Service Centers.¹If you ever have a question or need medical assistance, simply contact Customer Service using the contact information on your ID card.

Registering for eBenefits

eBenefits is MetLife's secure, self-service web portal, available 24/7 at MetLifeWorldwide.com. All your policy documents — like this guide — are available on eBenefits for quick, convenient access. You can also find a direct pay provider and access your ID card by logging in.

Registration is easy! Now that you have your ID card, grab it and:

1. **Go** to MetLifeWorldwide.com, select "Member" from the dropdown box and click Login.
2. **Click** the New User Registration link.
3. **Enter** your policy number, certificate number/member number, date of birth, and a valid email address. (Your policy number and certificate/member number are printed on your ID card.) **Click Submit**.
4. **Check** your inbox for a validation email and click the link in the email. The link is time-sensitive, so please access within 48 hours.
5. **Re-enter** your policy number, certificate/member number, and date of birth and **click Submit**.
6. **Personalize** your user profile and access eBenefits' many tools and resources.

If you cannot complete registration within 48 hours or need additional assistance, please contact your Regional Service Center.

See page 9 for a list of all the eBenefits tools that are available to you.

Travel tips

As a world traveler, you're going to have questions as you move from place to place. We're here to help!

- Contact your Regional Service Center to request **documentation** concerning your insurance coverage.
- Watch our **pre-departure webinar** on eBenefits for tips on preparing for your assignment.
- **Know your benefits** by reviewing your Schedule of Benefits, included in this kit. Call your Regional Service Center if you have questions.
- Bring your **ID card** and a **form of identification** when you seek care. When checking in, it may help to point out the local network logo that appears on your ID card. Your provider can verify your eligibility by calling the number on your ID card.
- Visit **any licensed health care provider** you wish — you do not have to select a doctor as your primary care physician, and you do not need a referral to see a specialist.
- In the US, take advantage of our **mail-order pharmacy program**. You can also access more than 68,000 chain and independent pharmacies, such as **CVS**, if you need to fill a prescription. If you need to fill a prescription outside of the US, please contact your Regional Service Center for help.
- Check with your doctor before traveling regarding your maintenance medications. You may be able to receive up to a **12-month** supply if prescribed by your US physician.

Insider tip

If you have an emergency, seek care immediately and then contact us at your earliest convenience.

1. Getting started

How can you access care while on assignment? Four easy steps — we've mapped it out for you on the next pages.

Global ID Card

Your ID card is your key to accessing health care around the world. You and your covered dependents will each receive personalized ID cards and will share the same policy and certificate numbers.

Your ID card contains the following information:

- The logo and contact information for your **Regional Service Center**
- **Policy holder name**
- **Policy** and **certificate/member numbers**

Please carry your ID card at all times and **present it when accessing care to help minimize out-of-pocket expenses.**

Insider tip

If you are assigned to a new country that is serviced by a different Regional Service Center, you and your family will be issued new ID cards.

United States ID Card

The gray side of your ID card pictured on page 3 is for accessing care outside the US, and the white side of your ID card pictured below is for accessing care inside the US.

If the back of your ID card does not look like this and you are planning to visit the US to receive care, please contact WilmClaims.MetLifeExpat@alico.com.

2. Search for a doctor or hospital

Insider tip

You are free to seek care from any licensed doctor or hospital worldwide, although **choosing one in our direct pay network may help reduce your costs.**

MetLife has arrangements with doctors and hospitals all over the world that we call our **direct pay network**. If you seek care at one of these doctors or hospitals, you should have a **seamless** experience. What does that mean? When you show your ID card:

- Front desk personnel should call MetLife to verify your eligibility.
- Your provider will bill MetLife for your visit instead of you.²
- You'll be billed at the negotiated rates established by MetLife.

When checking in, it may help to point out the local network logo that appears on your ID card.

So for the most cost-savings as well as the least out-of-pocket costs, choose one of more than **1 million direct pay providers**. They will bill MetLife directly for your covered services, so you will only need to pay your patient responsibility, such as your coinsurance or deductible.

There are two easy ways to find a health care provider:

1. **Search** the **Online Directory** on eBenefits by clicking the "Find Providers" tab.

2. **Contact** your **Regional Service Center** for help finding a doctor or hospital as well as for help during emergencies.

Using eBenefits to find a direct pay provider

Finding a direct pay provider near you is quick and easy with eBenefits. Here's how:

1. Log on to eBenefits at [MetLifeWorldwide.com](https://www.metlifeworldwide.com) and click the *Find Providers* tab.

To find providers **outside of the US:**

2. **Select** your country from the *Country* dropdown box and then **select** your city from the *City* dropdown box.
3. **Click** Search and your results will appear. Direct pay providers are noted with the wording "Provider may settle bills directly." To see only direct pay providers, **check** the *Provider may settle bills directly* checkbox under *Payment options*.

To find providers **within the US:**

2. **Click** the *Or, Find US Providers* link.
3. **Click** the *Continue to US Providers* button. This will take you to the appropriate website where you can search your US network for in-network providers.

Guarantee of Payment

If your provider of choice is not direct pay, that's not a problem. Just contact us in advance of your appointment for a **Guarantee of Payment (GOP)**, which will help minimize your out-of-pocket costs so you will only need to pay any applicable coinsurance or deductibles. A GOP is a letter from MetLife to your health care professional that confirms your eligibility as a covered MetLife member. If your provider accepts the GOP, they will bill MetLife directly instead of billing you.

You can call or email your Regional Service Center to set up a GOP. You should be able to provide the following information:

- Your policy and certificate numbers
- The patient's name
- The expected medical service
- The facility
- Contact phone number for the facility

You will receive a copy of the GOP and so will your provider. Bring it with you when you go for your visit.

eBenefits tip

If your preferred provider isn't in our direct pay network, you can nominate them. We'll review their credentials and if they meet our selection standards, we will establish a direct pay arrangement with them if they're interested. Send the following information to **Provider.MetLifeExpat@alico.com**: Hospital/Clinic Name, Address (including city and country), and Hospital Contact (including phone and email).

3. Access care

Insider tip

You do not have to select a doctor as your primary care physician, and you do not need a referral to see a specialist.

When visiting your chosen health care professional, please bring the following:

- **ID card.** When checking in, point out the Regional Service Center logo on your ID card, if you have one.
- **A form of identification.** You can use a valid national ID or passport.
- **Guarantee of Payment,** if applicable.

Health care providers anywhere in the world **should call the phone number on your ID card to verify your eligibility** or benefits. Providers should use the contact information that corresponds to their location; e.g., an international provider should use the contact information listed on the international side of your ID card and a US provider should use the contact information listed on the US side.

When to submit a claim

If you pay out-of-pocket, file a claim for reimbursement. You will be reimbursed for all covered expenses other than your patient responsibilities, like your deductible or coinsurance.

We accept claims in four convenient ways:

Online claim submission via website or mobile app

Email

Fax

Courier mail

No matter where you are in the world outside of the US, submit your claim form to your Regional Service Center using the contact information on your ID card. If you incur the claim within the US, send the claim to your US Regional Service Center, using the address on the US side of your ID card.

Reimbursement options

Claims that are submitted with all of the necessary information are typically processed in 10 business days or less. Once your claim is processed, your Regional Service Center will issue a reimbursement. **Check with your Regional Service Center to see what reimbursement options are available.**

Claim submission hints

- The best way to avoid submitting a claim is to use a direct pay provider who will bill MetLife instead of you for the cost of your services. Use MetLife's **online claim submission** for the quickest response.
- Include your itemized **bills** and **payment receipts**. An itemized bill should clearly identify individual dates of service. For each date of service, ensure a description of the service and the cost per service are available.
- You have a limited time to submit claims – check your medical certificate, found on eBenefits, for details. Claims submitted after this deadline may be denied.
- If you fill out a **Claim Form** rather than submitting online:
 - Fill it out completely and be specific about your diagnosis or reason for treatment.
 - Remember to include your **Policy Number** (found on your ID card).
 - Clearly state how you would like to be reimbursed.
 - **Submit the form as directed on your ID card.**
 - **Sign and date** the form.
 - **Keep a copy** of your forms and receipts for your records. Please do not send us your original receipts.

eBenefits tip

Submitting a claim through eBenefits is easy!

1. **Log on** to [MetLifeWorldwide.com](https://www.MetLifeWorldwide.com) and **click** the *Submit Claims* link.
2. **Complete** Parts A, B, and C. Your information has been pre-populated, if available.
3. **Click** Next to continue or **click** *Save for Later* to complete at a later date.
4. **Complete** Part D and **click** *Next* to continue.
5. **Complete** Part E. If you have copies of your receipts or invoices, **select** *Yes* and upload them. If you select *No*, you will be instructed to save this claim as a draft and have your provider complete the Attending Physician's Statement. Once you upload your receipts, **click** *Signature Page*.
6. **Review** and, if you agree, **check** the consent to do business electronically. **Type** your *name*, *claimant's name*, and the *date* then **click** *Preview and Submit Claim*. If you do not have any edits, click *Submit*.

4. Navigating your health care

Insider tip

To add dependents or report another type of life event, contact your company's HR department. You cannot make these changes on eBenefits.

MetLife has tools and resources to guide and support you and your family wherever you are, whether your health changes or you just want to work on getting healthier.

eBenefits

We offer many tools on our website, eBenefits, located at MetLifeWorldwide.com. Once logged in, you can:

- **Search** for full-service hospitals, medical centers, clinics, and doctors virtually anywhere in the world;
- **Submit** a claim online and **view** your claim history;
- **Print** a copy of your ID card or your dependents' ID cards;
- **Request** hard copies of your ID cards;
- **Update** your mailing address or employment status;
- **Download** a Certificate of Coverage;
- **View** coverage details for you and your dependents;
- **Download** forms and policy information;
- **Review** travel information, such as warnings, country guides, passport and visa requirements;
- **Access** wellness tools such as health-risk assessments and personal health trackers;
- **Submit** provider feedback;
- **Set** language preferences, to read in English, Spanish, French, Arabic, Chinese, Korean or Hindi.

Additional services

Some benefits plans include **emergency medical services**,³ **International Employee Assistance Program**⁴ (**IEAP**), and **remote second medical opinion**⁵ services. Check your Schedule of Benefits to see if these services are included in your plan.

- Our **emergency medical evacuation benefit** provides you protection if you find yourself in an emergency situation where local care is not sufficient to safely address your critical care needs. Our Customer Service Representatives are trained to coordinate all facets of an emergency evacuation to ensure you are quickly and safely getting the care you need.
- Our **IEAP** service offers you 24/7 telephonic access to more than 8,000 mental health professionals and counselors as well as face-to-face counseling in nearly 70 countries. To access EAP information, click the “Provider” tab on eBenefits and then click the “Or, International EAP” link.
- Our **remote second medical opinion** service offers remote peace of mind if you or your dependents are diagnosed with complex medical problems or issues. World-renowned specialists will review your medical records to confirm your diagnosis and offer treatment plans.

eBenefits tip

You can also download MetLife’s **mobile application** for access to tools and resources on the go. Download the app for your iPhone or Android device from the app store.

Go to [MetLifeWorldwide.com](https://www.metlifeworldwide.com) for access to tools and resources.

Commonly used terminology

Coinsurance — the amount of eligible expenses the insured is responsible for paying after any applicable deductibles are met. For example, a 90% plan means the insurer pays 90% of the covered expenses and the insured pays the remaining 10% after any applicable deductibles are satisfied. Coinsurance amounts, if applicable, are identified in the Schedule of Benefits.

Co-payment — flat amount that the insured must pay at the time of service (such as \$10 per office visit), after any applicable deductible is met. Co-payments, if applicable, are identified in the Schedule of Benefits.

Deductible — a flat amount that an insured must pay before the insurance company will make any benefit payments under a health insurance policy. Deductible amounts, if applicable, are identified in the Schedule of Benefits.

- **Individual deductible** — the amount of eligible expenses each insured person must pay for before the plan pays any benefit.
- **Family deductible** — the aggregate amount of eligible expenses a family must pay before the plan begins paying benefits for all covered family members.

Direct pay (direct payment) — your provider agrees to receive payment of your eligible benefits directly from your insurer. This eliminates the need for you to file a claim for reimbursement. You are still responsible for paying any applicable deductible and/or coinsurance at the time of service.

Emergency medical condition — an illness or disease, diagnosed by a physician, that occurs suddenly and unexpectedly which could result in serious deterioration of your health or place your life in jeopardy.

Guarantee of Payment (GOP) — a request sent by the insurer to your doctor or hospital confirming your eligibility and guaranteeing that MetLife will pay for your services.

Life event — a change in your circumstances or situation that would affect your benefits, such as getting married or having a baby.

In-network (in US only) — doctors, hospitals, physicians and other health care providers in the US who are contracted with the insurer and typically include discount arrangements. Utilizing in-network health care will reduce the amount of money you may pay up-front.

Out-of-network (in US only) — hospitals, doctors, physicians and other health care providers in the US that are not contracted with MetLife and do not offer discount arrangements. These health care providers may require that you pay up-front at the point of service.

Out-of-pocket maximum — the maximum amount MetLife will require you to pay out-of-pocket towards the cost of your care before the plan pays 100%.

- **Individual out-of-pocket maximum** — the amount of eligible expenses each insured person must pay at the coinsurance rate before benefits are paid at 100%.
- **Family out-of-pocket maximum** — the aggregate amount of eligible expenses a family must pay at the coinsurance rate before benefits for all covered family members are paid at 100%.

Regional Service Center (RSC) — the center that provides local customer service and claim processing based on your work location. These partners and their networks may have a logo that appears on your ID card.

1. Some Regional Service Centers are operated by MetLife affiliates and some by third parties contracted by MetLife.
2. Please note, you will still be responsible for any copays or deductibles you may owe based on your plan design
3. Emergency medical and travel assistance services are provided through AXA Assistance USA, Inc..
4. IEAP provided through Optum.
5. Second Opinion services provided through vendors not affiliated with MetLife.
