Accessing your CAC e-mail from home or abroad:

he internet:

One way to access and respond to e-mail in your cacegypt.org account when not on campus is through <u>http://www.mail2web.com</u> on the Internet. Make sure you include your complete e-mail address (i.e. <u>cbohn@cacegypt.org</u>). The password will be the same password you use for e-mail on campus. Be aware that formatting options are limited in mail2web.

E-mail opened via mail2web remains on the CAC e-mail server unless you specifically mark it to be deleted.

ڬ Internet Access at home:

Free dial-up Internet access is available in Egypt, or you can choose to purchase a DSL connection from various Internet providers in Cairo. Two free dial-up numbers are:

- 0707 7777 (Internet Egypt)
- 0777 0777 (link.net)

To set up dial up on your home Macintosh OS X computer:

- 1. Go to System Preferences under the Apple menu.
- 2. Click Network (in 3rd category Internet & Network)
- 3. Choose **New Location** from pull down Location menu.
- 4. Name location Free Dial Up (or whatever you prefer)
- 5. Choose Internal Modem under Show:
- 6. (Optional) Type Internet Egypt in Service Provider box
- 7. Type in 0707 7777 in the Telephone Number box
- 8. Click Apply Now (to save)
- 9. Click the Dial Now button whenever you want to access the Internet from home.
